Deed of Trust: Instrument No. D207092623

Effective Date: March 29, 2007

THE STATE OF TEXAS §
§ KNOWN ALL MEN BY THESE PRESENTS:
COUNTY OF TARRANT §

WHEREAS, **Mortgage Electronic Registration Systems**, "Leinholder" is the present owner and beneficiary of the liens, encumbrances and rights created by a Deed of Trust dated **March 13, 2007**, executed by **Shelly B Rowntree** (the "Surface and Mineral Owner"), and recorded in Instrument No. **D207092623** of the Official Records of Tarrant County, Texas, on real property described in Exhibit "A," attached hereto and incorporated herein by this reference (the "Mortgaged Property").

WHEREAS, on **March 29, 2007** ("Effective Date") the Surface and Mineral Owner executed a Oil and Gas Lease (the "Lease") as the Lessor, and Harding Company, as the Original Lessee, which grants certain rights to all or a part of the Mortgaged Property. The Lease covers the lands (the "Lands") as described in **Exhibit "B,"** attached hereto and incorporated herein by this reference.

WHEREAS, the Surface and Mineral Owner/Lessor desires to obtain from Lienholder a Subordination of the Deed of Trust in the Mortgaged Property ("Subordination") to the Lease, so that the Lease shall have the same validity, priority, and effect as if executed, delivered, and recorded prior to the effective date of the Deed of Trust.

NOW, THEREFORE, for adequate consideration and to encourage exploration and development of the Lands for oil and/or gas, Lienholder hereby subordinates the liens, encumbrances, and rights created by the Deed of Trust, to the Lease, and to the interests of the Lessee in the Lease, and its successors and assigns. Lienholder agrees that the Lease shall have the same validity, priority, and effect as if executed, delivered, and recorded prior to the effective date of the Deed of Trust; provided, however, nothing in this Subordination shall otherwise operate to alter in any way, change, or modify the terms and conditions of the Deed of Trust or in any way release or affect the validity or priority of Lienholder's liens on the Lands, except as provided above.

Regardless of any provisions which may be contained in the Deed of Trust, granting Lienholder and its successors and assigns an interest in or right to receive any bonus, rentals, royalties, or other payments which may be payable under the terms of the Lease, Lienholder expressly authorizes and directs that all bonus, rentals, royalties, and other payments provided for in the Lease are to be paid to Lessor and the parties entitled thereto, in accordance with the terms of the Lease and any supplement thereto in the same manner as if the Lease were executed and delivered prior to the above described Deed of Trust. In the event of default under the Deed of Trust, this authorization and direction with respect to such payments, but not the Subordination, may be revoked by Lienholder by providing written notice of the revocation to the Lessor and the Current Lessee, or its successors and assigns.

This Subordination is signed by Lienholder, Lessor and Current Lessee as of the date of the acknowledgments below, but is deemed effective for all purposes as of the Effective Date stated above.

This Subordination may be executed in multiple counterparts, each of which shall, for all purposes, be deemed an original but which together shall constitute one and the same instrument. This Subordination shall be binding upon each party who has executed a counterpart original hereof in accordance with the terms set forth above. The parties specifically agree that the execution and acknowledgment pages from the several counterparts may be aggregated into one counterpart for recordation and other purposes.
